

**Sacred Heart, "Ten Days for Peace", 6-15 August**

At the centre of the "Sacred Heart Peace Garden", is a "Sacred Tree". It is a descendant of a survivor tree, "Hibakujumoku" from the atomic blast; a charred Camphor tree found in the burnt-out temple area in the city of Hiroshima.
We invite everyone to pray this prayer, asking; the Blessed Mother's intercession as we remember the atomic bombings of Hiroshima and Nagasaki.
"Love is stronger than War"

***Madonna of Nagasaki***

*Mother of Christ and Queen of Peace: we pray with all fervor for the peace which our divine Redeemer came to bring us. May Christ banish from the souls of all whatever might endanger peace. May Christ transform us into witnesses of truth, justice and filial love. May Christ illumine with His light the leaders of governments so that, besides caring for the proper material welfare of their peoples, they may also guarantee them the fairest gift of peace without fear of nuclear annihilation.*
